

Dickens Festival Geocache!

Fort Stevenson State Park is pleased to host
the fourth annual Dickens Geocache!

How it works: Twelve unique ornaments are hidden throughout Fort Stevenson State Park. GPS coordinates for each ornament are posted at geocaching.com and on the Fort Stevenson State Park Facebook and Instagram pages @fort.stevenson. Coordinates of four ornaments go live each Friday of the Dickens Village Festival.

Dickens is held November 29-December 1, December 6-7
and December 13-14.

First to Find Prize: Each ornament is a First to Find Prize. The first finder can keep the ornament and can log their find at the Fort Stevenson State Park Visitor Center to claim \$5.00 in Garrison Bucks. The park asks that only one first to find ornament is collected per family.

Ornament Exchange: New this year! Following the traditional geocache rule of take something, leave something, each participant should bring an ornament to exchange. When a geocache is found, take the ornament and then leave an ornament for the next person to find.

Geocache enthusiasts and newbies alike are welcome to participate! If you do not have a GPS unit, stop at the park office for a loaner unit. Watch the Fort Stevenson State Park Facebook and Instagram pages @fort.stevenson for more information.

Contact the park office at 701-337-5576 or
